

**INTER-DEPARTMENTAL POSTGRADUATE  
PROGRAMME  
BIOMEDICAL ENGINEERING (BME)**

**ANNOUNCEMENT**

We send you the exam schedule for the spring semester 2021-22.

<b>Wednesday 22/6/2022: 17.00</b>	No 7. Medical physics, imaging and image processing (Presentations)
<b>Wednesday 29/6/2022: 17.00</b>	No 9. Information and communication technologies in medicine and healthcare
<b>Thursday 30/6/2022: 18.00</b>	No 11. Biomanufacturing – tissue engineering
<b>Friday 1/7/2022: 17.00</b>	No 17. Microscopy, lasers, nano-testing and reverse engineering
<b>Monday 4/7/2022: 17.00</b>	No 10. Artificial intelligence and medical diagnosis & decision support systems
<b>Monday 4/7/2022: 19.00</b>	No 8. Seminar series on research methodology and practice
<b>Tuesday 5/7/2022: 17.00</b>	No 12. Medical robotics, cyber physical engineering and virtual reality
<b>Thursday 7/7/2022: 17.00</b>	No 14. Precision medicine and prevention
<b>Friday 8/7/2022: 17.00</b>	No 15. Computational neuroscience – neuroengineering
